SELECTMEN'S REPORT

The Disposal Area is going through a considerable change as preparations are being made to start sanitary landfill soon after the ground thaws. It will be mandatory by July 1, 1975 and we hope the area will look clean and cared for rather than looking like a dump, as it has for the past 20 years or so.

It will become more important for people to keep their refuse separated from leaves, brush, old wood, etc. or your tax dollars will be used in covering and compacting material which could be used to top dress the finished or filled areas.

Most of our neighboring towns have been urged to go overboard with purchase of large compacting equipment and estimates of operating costs that would stagger their budget by recommendations from the Southern N. H. Planning Commission and also an independent engineering firm who would like you to pay them \$8,000 to lay out your site for you.

The Selectmen have proposed a modest budget figure based on the area being open 8 hours a week and covered once a week. If we cannot leave it uncovered over one night, then we may have to open on a one-day a week basis to keep the covering costs down.

Town Hall - The Board was hit with an alarming figure of \$95.00 a ton for coal and we balked, so we have temporarily installed an oil-fired furnace to heat the downstairs for the remainder of this heating season.

The budget figure for the Town Hall has money for another oil furnace and plans are to permanently install both oil furnaces and relocate one of the large coal/wood furnaces, setting up a system of complete automatic oil heat for the hall with the option to revert to wood if oil gets scarce or more expensive.

The second coal/wood furnace would be set aside as a spare. These four furnaces and the wood pile would be toward the rear of the hall basement. The water pump would be moved over near the furnaces, and a new entrance would be made into the basement with the area around and behind the stairs being converted into a police office and the major portion of the basement a second meeting hall area.

The basement would be heated by the furnace heating the first floor. This would eliminate many occasions when we have to heat the second floor because of multiple meetings at the same time.

Budget - The Selectmen have been joined by the budget advisory committee in establishing a realistic figure for the town operating budget for the year 1975. The present economic situation is quite alarming.

The tax money is not coming in as well as last year, there are thousands of unemployed, and many more on reduced work weeks. We must tighten our expenditures even if it means curtailing services.

The Board feels that we should only expend for improvements where safety or regulations predict it necessary, and otherwise, expenditures should be only for maintenance.

Respectfully submitted,

JAMES W. TOWLE JR.
TIMOTHY J. FEINAUER
RAYMOND D. REMILLARD
Selectmen

BUDGET ADVISORY COMMITTEE REPORT

We met with the Selectmen on Jan. 15 and Jan. 20 to review the Town Budget. This year, the Selectmen requested our advice and assistance in deciding the amount of each article in the budget. After much discussion, we all agreed, which means that all eight of us agreed, on the amount of each article.

We would like to commend the Selectmen for their cooperation, also for their effort in trying to keep the budget down as much as possible, taking into consideration the rising cost of everything. They have done exceptionally well and it behooves the town to cooperate with them in their effort to keep our taxes as low as possible.

Jan. 27, we met with the School Board and they tried to explain to us why their budget is \$46,775.00 more this year than last. Some of their increases are legitimate, such as the increase in tuition at Pinkerton to \$1,000.00 and an increase to \$1,250.00 at Manchester, and there are sixteen students going to Manchester.

The teachers are all getting a 10% increase as well as all other employees of the school. Also, the Supervisory Union Superintendent and the two Assistant Superintendents; and these men are now getting \$25,000.00 for the Superintendent and \$20,000.00 each for the Assistants. We also questioned the advisability of a student guidance counselor for grammar school students.

The school is fortunate to have a contract with the Bus Company so the cost of pupil transportation is the same this year as last. Of course, we appreciate the fact that the cost of everything has increased and the School Board has done quite well, but we feel that they might have reduced some items a little more.

We urge everybody in the town, who possibly can, to attend the School Board Budget meeting on March 1, at the Town Hall.

Respectfully submitted,

H. EARLE GRANT, Chairman
RICHARD WIGGIN
STANTON E. LEIGHTON
HARRY SMITH
PAUL TRAVER

VILLAGE CEMETERY TRUSTEES REPORT

We are pleased to report progress in several areas. An alphabetical "locator file" has been completed which denotes the resting place (for all persons where there are monuments or markers) in each of the 4 cemeteries by cemetery, lane, plot etc., and further annotated to show which plots or graves are covered by "perpetual care trust fund". It is unfortunate that, in a number of cases, there are no records, monuments or markers to show who rests in plots in the 4 cemeteries.

Much useful information on cemetery operation, maintenance and beautification has been derived from attendance at the semi-annual meetings of the New Hampshire Cemetery Assn. of which the town is now a member.

The Trustees and Superintendent devoted time in the evenings to work in the Village Cemetery on a project to rehabilitate a number of monuments which had fallen over the years; 14 such stones were restored to their proper foundation. This project will be continued in 1975, until all fallen monuments in the 4 cemeteries have been restored to proper position.

During 1974, there were 5 interments in the Village Cemetery and 1 interment in the North Chester Cemetery.

BERT WARREN, Chairman
STANTON LEIGHTON
RICHARDSON D. BENTON, Clerk
Village Cemetery Trustees

WALTON LEIGHTON
Superintendent

WILCOMB-TOWNSEND HOME TRUST FUNDS

The Wilcomb-Townsend Home Trust Fund was founded in 1915, with the interest to be used to assist a resident of Chester over 65 years of age and living on a low income.

You may contact Mrs. Edith A. Nichols, P.O. Box 73, Chester, N. H. for assistance, as long as money is available.

HOME FUND

RESULTS OF 1974 OPINION SURVEY

Thank you to: Jane Colman, Dora Smith and Amy Barna, Political Science teacher, White Pines College, for their help.

Rather than try to duplicate the complete opinion survey here, we will choose categories that stimulate the most interest. The entire survey will be available in the Selectmen's office for your review.

Keeping in mind that 130 surveys were turned in for tabulation, with the instructions to answer as many or as few questions as wished, percentages in some instances were not feasible.

The survey is an attempt to serve as a source of information. The results of this opinion would not cause any money to be spent or direct action to be taken. It is strictly an opinion and results will be treated in that respect.

BACKGROUND OF CHESTER RESIDENTS

How long have you lived in Chester?

1-5 years - 40% (balance divided in area between 6-over 20)

Age:

20-39 years - 55% (balance divided in area between 40-over 70)

Where you work:

N. H. - 65% (balance divided between Mass. and Maine)

Employed: Yes - 75%

Taxpayer in Chester: Yes - 96%

Registered Voter: Yes - 91%

Retired: Yes - 20%

Population of town from which you came: Over 10,000 - 61%

Family Income: Under \$5,000 - 10%; \$5,000-9,999 - 24%; \$10,000-14,999 - 27%; \$15,000-19,999 - 28%; Over \$20,000 - 12%

GENERAL FEELINGS ABOUT CHESTER

What do you like about Chester at the present time? (answer one or more) Of the 230 responses: Uncrowded living - 75; Small town atmosphere - 67.

What kind of town would you like Chester to be? (answer one or more) Of the 89 responses: As it is now - 71.

Would you like to see Chester's population increase? (answer one) Stay the same - 49%; Slight Growth (100/yr.) - 40%.

Would you like to see more businesses in Chester? Of the 155 responses: Small retail shops - 40; Home business - 40; Restaurant - 28.

Are you in favor of a multipurpose meeting room which would serve for: Town Meetings, Group Activities, Gymnasium, Auditorium? Yes - 61%

PLANNING AND ZONING

Should there be different lot sizes in different areas of town? Yes - 32%

Are you in favor of placing Chester center in a Historic District which requires the exterior of all buildings to conform with the neighborhood? Yes - 66%

Should the town seek volunteer and professional planning assistance as a guide to orderly growth? Yes - 63%

Should mobile homes be allowed? Only in certain areas of Chester? Yes - 62%

Should property frontage be: Present 290 feet. Of the 86 responses: Yes - 71.

SCHOOLING

Would you favor having the minimum 180 school day year spread over 12 months in an effort to reduce the need for additional school space? Yes - 50%

Do you favor offering grade school courses of study in: Modern foreign languages, Yes - 68%; Sex education, Yes - 65%; Drug education, Yes - 75%.

Do you favor adding a kindergarten to the Chester School? Yes - 43%

Are you in favor of more disciplinary action by teachers and principal? Yes - 81%

Would you consider double sessions (morning session and afternoon session) in an effort to reduce the need for construction of additional classroom space? Yes - 53%

Are you interested in adult evening classes of study? Yes - 53%

Should additional space be: Added to the existing school, Yes - 72%

Do you favor a separate facility, a Middle School, Grades 5, 6, 7, and 8, in Chester? Yes - 31%

MISCELLANEOUS

Are you in favor of a "leash law" to restrain dogs? Yes - 61%

Do you feel there is a need for: Full-time fireman, Yes - 24%; Full-time policeman, Yes - 50%; Part-time building inspector for new construction work, Yes - 51%.

Are you in favor of the following proposed building program priorities:

	<u>YES</u>
1. Firehouse - New single story building	50%
2. Disposal Area - New sanitary land fill area	64%
3. Library - Remodel existing firehouse	48%
4. Town Offices - Remodel Stevens Hall	48%
5A. Auditorium/Gymnasium/Classrooms New two-story building (auditorium will provide meeting hall for Town functions)	42%
5B. Auditorium/Gymnasium - New single story building	33%
6. Classrooms - Addition to Chester School	47%

EVALUATION OF SERVICES RENDERED IN CHESTER

A Positive Index of Support indicated on question: Do you feel the people providing you with Town services are doing a satisfactory job? Town Services covered: Selectmen, School Board, Police Department, Town Clerk, Fire Department, Road Department, Planning Board, Tax Collector.

RECREATION

Do you feel that certain areas of Chester should be set aside for the recreational enjoyment of its people? Yes - 85%

Do you think there is a need for:	<u>YES</u>
Bridle paths	61%
Trails for walking, snowshoeing, crosscountry, skiing	63%
Snowmobile trails	48%
Ice skating	83%
Playgrounds and ballfields	83%
Activities for teenagers	81%
Activities for older people	73%

Do you feel that the operation of snowmobiles, minibikes, ATV (all terrain vehicles) should be restricted to designated trails? Yes - 70%

Have users of these vehicles intruded upon your privacy at home (come too close to your living quarters)? Yes - 50%

Are you in favor of restricting the use of pleasure snowmobiling between the hours of 11 PM and 8 AM? Yes - 72%

Our thanks to Mr. Bill Brander, Sr., for the foresight he had to originate such a survey. It is the hope that his effort in Chester's behalf will spark the interest of townspeople to help support Chester's small town atmosphere and, at the same time, cope with the growth that is inevitably hers.

POLICE DEPARTMENT REPORT

The police department was busy this year with over 845 complaints and traveled over 17,000 miles. In the past year, we had 50 auto accidents and 50% of these were single car accidents. There were 44 house breaks which is way up over prior years. We also had 69 court appearances with the majority of these being motor vehicle violations. In January of 1975, there were over 191 phone calls or an average of 6 per day.

Many evenings were spent exploring how we might better secure and qualify for the federal funds that are available. In meetings with the Highway Safety Comm., the Town Police Study Comm., and the N.H. Chiefs of Police Assn., it was brought out that much funding is available.

We have asked the voters to consider a town cruiser which will be 40% federally funded. Funds equal to 95% of the total cost for projects such as renovation of the town hall to include an office for your department, or 2 or 3 day seminars at State Tech. schools are two examples. In the past year, a two-way walkie-talkie was purchased at no cost to the town as it was 100% federally funded.

Your department again has asked for an increase in its budget to \$12,000 to cover the rising costs of: gas, oil, maintenance of vehicles, auto insurance, and the purchase of needed equipment. These items have greatly increased in cost in the last year.

Additional increases resulted in 1974 when a phone was installed in the Derry Police station insuring 24-hour phone coverage. We feel that our funding requests are justified but your department is only as good as you want it to be.

Respectfully,

LINDSEY F. RICE
Chief

AUDITORS REPORT

We have examined the books and accounts of the Trustees of Trust Funds. H. Earle Grant, Treasurer, and find them correct and properly vouched.

Charles H. Frederick
John Starvish, Jr.
AUDITORS

LIBRARIAN'S REPORT

1974 has been a challenging year for our library. We've had a great deal less money to work with and prices have skyrocketed, but nevertheless, we have had a quite successful year. This has been due, in large measure, to our many friends and supporters who have helped us and to your Trustees who have provided a strong and steady hand at the wheel.

Our circulation for the year was 4,813 books; that is over 400 books per month. We have 173 new books this year: 115 for adults and 58 for children. We now receive 10 magazines, 6 of which come as donations. Our latest is the Reader's Digest Large Print Edition, a gift from Mrs. Dan Cole. For these we are thankful.

We have had to concentrate a great deal of our energies on raising money in order to provide books. We held a raffle in the spring, and two very successful food sales this fall. Without the help of many, many of you, these events would never have been possible. It is good to know that the community stands strongly behind us.

It is impossible to list all the individuals who have made special contributions in 1974, but let me list a few to give you an idea of the kind of support we had had. Mr. Robert Crawford donated a savings bond to be raffled; large numbers of books were received from several people; Mrs. Mary Bragg, Mr. and Mrs. David Reid, Mrs. Luther Grimes, the Fortnightly Club, Mrs. Edith Baldwin, the local Grange, and finally there is Mr. S. Leroy French.

Mr. French was living in Tuxedo Park, New York, when he read in the newspaper of the financial plight of the Chester Library. He took a real interest in all that was going on here, and thus began a lively correspondence. Within a few months, he purchased for us 39 children's books, 2 adult books, a magazine subscription, and prize money for the Children's Reading Program. His death is a real loss to all of us. I personally shall miss his interesting letters.

Our future plans are hopeful. With proper funding, we plan to build up our collection for young people. This past year, we concentrated on pre-schoolers and primary grades; in 1975, we plan to work on books for grades 4-12. We would like to buy materials in keeping with the Bi-centennial of our country as we feel

the school children will be bombarded with assignments in the social sciences.

We hope to continue our Summer Reading Program as well as the Young People's Story Hour in summer. These have been very popular the past 2 summers, attracting up to 45 children each week. And we hope to have more new books to offer our loyal adult customers, many of whom come in every single time the library is open just to ask "what's new"?

We are lucky to have the fine reference service of the State Library at our call, and any book or film held by a library in the State is available on request. We hope you will take advantage of these services when you need them. Present library hours are Tuesdays and Thursdays, 3:30-5:30 PM, and Saturdays, 10 AM - 2 PM.

My thanks to all of you who help us in so many ways. Special thanks to the Trustees Edward Murphy, Arlene Delorey and Katherine Houston, all of whom devote many hours of their personal time to the library.

Respectfully submitted,

TERRY ANN VOTAW
Librarian

LIBRARY FINANCIAL REPORT

In account with the Chester Public Library for 1974.

RECEIPTS:

Balance on Hand	\$418.92
Chase & Stevens Trust	50.93
Town Appropriation	900.00
F. I. C. A. Refund	20.00
Raffle	196.50
Food Sales	211.15
Friends of Library	150.00
Gifts	47.80
Fines	95.39
N. H. Publishers Refund	<u>5.95</u>

TOTAL RECEIPTS	\$2,096.64
----------------	------------

DISBURSEMENTS:

Salary, Librarian	\$871.76
Books & Magazines	582.68
Supplies	71.57
F. I. C. A. Payment	10.00
P. O. Box Rent	<u>5.40</u>

TOTAL DISBURSEMENTS	<u>1,541.41</u>
---------------------	-----------------

Balance on Hand	\$ 555.23
-----------------	-----------

Of this balance, approximately \$500.00 has already been committed and will be paid prior to receipt of any 1975 Town appropriation. Included in this is outstanding checks, salary and books on order.

Respectfully submitted,

ARLENE DELOREY
Treasurer

HIGHWAY DEPARTMENT REPORT

Summary of this year's progress.

"Winter money spent on the following":

The buying of salt and sand, also in the plowing and sanding of roads. Money used also in clearing of trees blown over, as well as cutting brush and trees on the E. Derry Rd. and Hanson Rd.

"Summer money spent on the following":

Buying of - Gravel, sand, M.C. 800 and Culverts.

Roads - Gravel, rebuilt and widen are the Town Farm Rd., Harantis Lake Rd., No. Pond Rd. and Clark Rd.

Entry ways gravel - Cowens Rd. and East Derry Rd.

Roads sealed - Parts of Fremont Rd., Towle Rd. and Candia Rd.
All of the Edwards Mill Rd.

Roads mixed - 5/10 No. Pond Rd. and 1/10 Candia Rd.

Bridge replaced - Harantis Lake Rd., also bridge abutments put in on Fremont Rd., the bridge will be widen.

Culverts - Rangeley Hill Rd., Clark Rd., Candia Rd. and No. Pond Rd.

All gravel roads have been graded and yoked raked. Stumps have been removed on the Fremont Rd. Also, some of the roads have had the brush mowed.

I would like to thank all who worked for the department. Also, for the help and understanding of the townspeople.

Respectfully submitted,

CLARENCE P. WARE
Road Agent

BOARD OF ADJUSTMENT REPORT

During the past year, the Board of Adjustment considered 18 applications for variances. Of the 18, 5 were denied and 13 were approved with conditions being stipulated on 10 of them.

The Board would like to thank everyone that was involved and interested in our activities and encourage all townspeople to continue their interest in the affairs of the Town. Our meetings occur monthly and are open to the public.

VOLUNTEER FIRE DEPARTMENT REPORT

There were a total of 47 calls to the Chester Volunteer Fire Department during the year 1974. These calls were listed as follows:

Dryer	3
Mutual Aid	5
Motor Vehicle Accidents	11
First Aid	1
Fuse Box	1
Smoke in house	2
Chimney	7
Tree down	2
Woods or Brush	2
Cat in tree	1
Refrigerator leak	1
Dump	1
Car or Truck fires	4
Kitchen fires	2
Smoke check	3
Trash	1

The department is involved in continual training sessions and underwent 40 hours of state supervised training during the spring of 1974. Actual firefighting experience under controlled and supervised burning took place at the Amato house on Ledge Road where firemen had the opportunity to burn an abandoned house and firefighting procedures were practiced with state supervisors present.

Firemen attended training classes this year at the Lakes Region and Meadowood schools. The Fire Department received the new Mini Pumper and equipment and remodeled the storage shed into a heated garage to house the truck.

The annual Firemen's Field Day held in August was a successful effort and provided a fun day for the whole family. This year's event was marked with the christening of a refreshment stand given to the fire department by the Marvin Coburn family, which was gratefully accepted. The firemen donated time and facilities to outfit the stand.

Your fire department participated in field musters and marched in many parades with the 1842 hand tub. More trophies were added to our collection.

The annual open house held at the station during Fire Prevention Week hosted interested townspeople touring the fire house. The Bob Child Memorial Essay and Poster material was on display at this time and congratulations are in order to all the school children who participated in this contest. Movies on fire safety were shown and demonstrations of various types were exercised through the evening by the firemen.

Through the financial support of the Young Matron's Club of Chester, the Fire Department was able to participate in the Tot Finder Program. Children account for over one third of the nation's fire casualties. In the confusion of a fire, families often become separated. All too frequently, the result is a child trapped in his room, cut off from rescue.

The Tot Finder Program is designed to help avert this tragedy. The basis for the program is the red TOT FINDER DECAL. Highly visible during the day and reflective from a light source at night, the decal clearly marks the location of a child's room. Should fire strike, the decal alerts firemen to clear marked areas first. Also, the decal can mark the rooms of invalids and other family members who require special attention. We thank the Young Matron's Club for their effort in bringing this program to Chester. These decals may be picked up on Sunday mornings or Tuesday evenings at the fire house.

The distaff side of the fire department, through their fund raising activities, made possible the purchase of a heater for the remodeled back shed. Their support is very much appreciated by the firemen.

Even though our number of responses are down from last year, many hours have to be spent keeping men and equipment ready to respond. The manufacture of synthetics and modern materials present very hazardous conditions for firemen while changing times create new problems. We feel that the best equipment is none too good for our willing volunteer firemen.

Fire prevention is one firefighting tool we have available. It is something we all can practice. Thank you for your support and cooperation in keeping fire losses to a minimum.

Thank you to the members of the Fire Department who continue to work toward maintaining the goals within the Department and many thanks to the residents of Chester for their contributions and continual support given to the Department.

Respectfully submitted,

RAYMOND L DOLL/OFF JR.

Fire Chief

FOREST FIRE WARDEN'S REPORT

All open burning, when the ground is not covered with snow, is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire, then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A.M. and 5 P.M., unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid-August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the towns of Barnstead, Gilmanston and Alton in Belknap County. Through the excellent cooperation of the citizens of our State, no major forest fire occurred at any time during the year. Through the efforts of everyone concerned, Chester made it through this crucial time without any fires.

The Chester Fire Department is a volunteer fire department with a red phone system that has a 24-hour coverage. The number to call TO REPORT A FIRE is: 887-3250. When you make connection, state your name, location and nature of the fire (woods, stove, chimney, cellar, T.V., etc.) Please remain on the line until the fire department has the complete information.

If you are a new resident, it would be beneficial to state the former owner's name along with your own so that it will aid firemen in responding to the exact property.

ALL OTHER QUESTIONS RELATING TO BURNING PERMITS, INCINERATOR PERMITS SHOULD BE DIRECTED TO:

Red Dolloff* - Webster's Lane - 887-3809

Fred Delorey - Derry Road - 887-3844

Jack Towle* - Fremont Road - 887-4155

The local newspapers will carry any changes in burning requirements as they come in from the Forest Fire Service.

HEALTH OFFICER'S REPORT

The following were the activities of the Health Officer for the past year, 1974.

RSA 170:4 Inspection of Foster Homes and Others. Seven homes were inspected regarding the Health of Foster children. One Kindergarten and Day Care for twenty children. All necessary forms were filled out and filed as directed.

A letter from the Chester Elementary School requesting a meeting with the Health Officer, the School Principal and the School Nurse involving a child. Case referred to the Selectmen.

RSA 147:2. One meeting was held with the Board of Health and the State Sanitarian. One owner was in violation and ordered to comply with State Regulation.

Six complaints of sewage seeping up through the ground. On investigation, it was found they were not properly installed. (They were corrected.)

Seventeen requests for technical advice on planned construction of sanitary sewage disposal systems. After inspection of the sites and soil survey maps, four were disapproved.

Twelve Sanitary Sewage Disposal Systems were inspected and accepted for new homes.

Eight Sanitary Sewage Disposal Systems were inspected and accepted for replacement of old systems not properly installed, (most were sewage seeping up through the ground).

One inspection for drainage at a home for a Beauty Salon Business was accepted.

Notice to all Property Owners of Chester

RSA 147:2 and 149E Inspection of Septic Tank Systems for Sewage Disposal.

The Health Officer was appointed as an agent of the New Hampshire Water Supply and Pollution Control Commission for the inspection of all Sanitary Sewage Systems constructed as per requirements of the Commission.

A \$25.00 fee for each original application and a first inspection; then a \$5.00 fee for each visit, in advance, thereafter.

Respectfully submitted,

CLIFTON D. HOLMAN

Health Officer

Agent for N. H. W. S. & P. C. C.

CHESTER CONSERVATION COMMISSION REPORT

1974 was an exciting year for the CCC in terms of projects, and interest and involvement of the townspeople.

For several years, we have been in the process of trying to index a piece of land for the townspeople's use. This year, the transactions were completed by the Selectmen, and with a little more time and effort, we will have the area ready for use by the Boy Scouts, for picnicing, and for other recreational activities.

The Conservation Commission also organized a beautification program for the grounds surrounding the town hall. Trees and bushes were planted, demonstrating our belief that the center of our town represents our citizens' pride in the town's historic and natural character.

Two 55-gallon drums were cleaned and painted dark green by W. Noyes, and placed in strategic locations for litter collection. One was placed on the bank near the town hall, and the other on the corner by the cemetery. The results showed that the trash can project was a success: almost no litter, and full cans!

Our attempts to stimulate an interesting and successful recycling program did not seem to appeal to enough people to make it work. Possibly, as the problem of higher bills and less money with which to pay them affects more people, more of our citizens will realize the value of recycling paper, cans, bottles, and other materials that might be valuable to someone else.

We have given our support to the Society for the Protection of N. H. Forests in an attempt to save a large stand of Cedar Trees, one of the last on the seacoast region.

The CCC organized a Conservation Walk, held last October. There was a good turnout, and all who attended were enthusiastic about the trips to Burt Warren's and John Vadeboncours's. We will be planning another walk this spring - watch the paper for time and date.

We ended the year discussing the pros and cons of Historical District Zoning. Mr. Bill Hoffman was the guest speaker. The Zoning Board, Planning Board, and the Board of Selectmen were also present.

FROM YOUR REPRESENTATIVE

This report is made from the vantage point of 2 offices in which I represented Chester in the past year; as Representative to the 1974 "special session" of the Legislature, and as Delegate to the 1974 Constitutional Convention.

As is my custom, you were kept closely informed on legislation or proposed changes to the N.H. Constitution, which had a bearing on your well-being and your wallet. As always, your phone calls, notes and personal comments, to express feelings or interest on various matters, were most welcome and were carefully considered.

It was both a pleasure, and an education, to carry out the assorted missions asked of me by Chester residents, covering a wide range of subjects, from arranging for additional gasoline for the one filling station in town, to setting up tours of the State House and state departments for the school children, to researching high and low to find out why motorists in England drive on the left side of the highway! Eventually, I secured the answer to this riddle from the British Ambassador in Washington, DC!

My comment, after being re-elected to serve as your Representative to the 1975 legislative session, "I cannot promise to do any more for you in the future than I've done in the past, but I certainly will promise to do not one bit less!"

Respectfully submitted,

RICHARDSON D. BENTON
Representative

DOG OFFICER'S REPORT

During the past year, the dog officer spent 206 hours and logged 1843 miles answering your calls. These calls ranged from dog bites to dogs harassing livestock with everything imaginable in between.

With the trimmed budget for the year 1975, the manner in which this job was handled will change. This will mean cooperation of the townspeople whereas dog calls can only be answered on a one or two day a week basis, depending on their seriousness.

Arrangements, wherever possible, should be made for you to bring strays to the kennel. This does not mean simply dropping them off, but to call before you come.

Other practices will have to be changed, but the changes will develop throughout the year concerning unlicensed dogs, restraining orders, etc.

Respectfully submitted,

WAYNE GATES
Dog Officer

DERRY VISITING NURSE ASSOC. REPORT

During our most recent complete fiscal year of July 1, 1973 to June 30, 1974, a total of 229 visits were made by agency nurses to Chester residents. These included 139 visits to give skilled nursing care under the orders of the individual's physician and 90 public health visits. (The appropriation of March, 1973 helped us to make these visits and last year's appropriation is being applied to our present fiscal year.)

The public health type visits are made on a no fee basis under agency policy. Skilled nursing, physical therapy or care from our new Homemaker/Home Health Aide program are fee visits. However, any agency fee is adjustable on a sliding scale and care is available according to need rather than according to ability to pay. It is because of town support through appropriations that the agency is able to offer public health visits without charge and the fee visits on a sliding scale basis. (Also, oftentimes our fees are paid by third parties such as private insurance or medicare.)

Utilization of our services, as reflected in the number of visits, fluctuates from year to year. Such things as having several patients who require daily visits as opposed to weekly visits will, of course, make a difference. Our new Homemaker/Home Health Aide program has provided 50 visits just since September, 1974. (A full year's figures on this new service will be available for next year's report.) Also just begun this year are screening clinics for the elderly, open to all residents over 60 years of age. These are being offered monthly under the sponsorship of the Ladies Social Circle of the Congregational Church.

Three Chester residents serve on our Board of Directors to represent the town interests. They are at this time: Virginia Locke - 887-4453; Richardson Benton - 887-3951; Nancy Fuchs - 887-4415.

Questions may be directed to them or to our office at 11 Wall Street, Derry, which is open from 8 A.M. to 4 P.M., Monday through Friday. The office telephone numbers are 432-7776 and 434-5806.

Respectfully submitted,

JOANNE MILLSAPS, R. N.
Nurse/Administrator

HIGHWAY SAFETY COMMITTEE REPORT

This Committee came into being in April, 1974, and met eight times, approximately monthly, during the year. Regular meetings are on the fourth Wednesday of the month at 7:30 p.m. in the Town Hall. Complete minutes of each meeting are available for those residents who may wish to look at them.

Most of the meetings in 1974 were survey in nature, being directed to developing what problem areas the Committee could usefully devote its time to and what resources were available to the Town to do something about them. A number of persons most helpfully attended our meetings and briefed the Committee on the areas of their expertise, viz.:

<u>Meeting</u>	<u>Person</u>	<u>Organization</u>
May	Burton E. Nichols	N. H. Highway Safety Agcy
July	Frank Lindh	Dept. of Public Works & Highways
August	F. J. Jaskiel	State Criminal Justice Planning Council
November	Dwight Conant	AAA
January	George Sampson	Sheriff, Rockingham Cty

While the Committee spent much of its time looking into what should, could and/or might be done in Chester as regards highway safety, it has made specific recommendations to the Selectmen concerning:

1. Police Department - purchase of police cruiser using what Federal funding is available and creation of office for the police in the basement of the Town Hall.

2. Highway work planned by the State for Route 102.

Now that the Committee has some experience under its belt, it is expected that it will be able to develop several other positive recommendations during 1975.

Your Committee:

LEE A. STRIMBECK, Chairman

RICHARD DUCEY

JAMES TOWLE JR., Selectman

RAYMOND DOLLOFF JR., Fire Department

BARBARA DOLLOFF

LINDSAY RICE, Police Department

ARTHUR SCOTT, Schools

RICHARDSON BENTON, Ex-officio

POLICE STUDY COMMITTEE REPORT

At the March, 1974 Chester, New Hampshire Town Meeting, a motion was made by Col. Richardson D. Benton that the moderator be authorized to appoint an independent study committee of three residents, none of whom have any connections with any other town agencies or departments, to be known as the Police Study Committee. The action was seconded and carried.

During this period of time from March through December, the committee met with various groups and carefully reviewed its findings and, after consideration of all factors pertinent to the town of Chester and the growth of the community, compiled a report presented to the Selectmen and various other Town organizations plus posting a report copy in the Town Hall. The summary of our report is as follows:

The Police Department is providing adequate service at this time. Therefore, the committee at this time does not recommend making the post of Chief of Police a full-time job. We do recommend that the professional services of the Police Association be called upon to conduct a study to provide short and long range views as to determine the necessary information to when the town would require a full-time Chief of Police. Immediate long range planning should be instituted on a community basis in the field of law enforcement.

As a minimum, the town of Chester should act immediately in providing adequate space and facilities for storage of equipment, supplies and physical evidence; this would provide the privacy to enable persons to discuss confidential matters with police officials.

Rules and regulations should be formulated by the Chief and approved by the Selectmen with copies issued to each member of the department defining their duties, proper procedures, and expected behavior. Police resources such as State Police, County Sheriff, Police Chief's Association, etc., should be utilized to the fullest.

There is no formal plan for training within the department. The committee recommends that it is highly important that the Policemen be trained in the latest techniques of Public Relations, Law Enforcement, self defense, and investigative techniques.

BUDGET
OF THE TOWN OF CHESTER

Appropriations and Estimates of Revenue for the Ensuing Year
January 1, 1975 to December 31, 1975

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Chester in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Stevens Memorial Hall in said Chester on Tuesday, the 4th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

Propose to close polls at 6:30 P.M. Article 2 and Articles thereafter to be taken up at 8:00 P.M. Tuesday, March 4, 1975 at Stevens Memorial Hall.

1. To choose all necessary Town officers for the year ensuing.

2. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and pass any vote relating thereto.

3. To raise such sums of money as may be necessary to defray Town Charges for the year ensuing and make appropriation of same (\$23,670.00) (See TC Budget figures).

4. To see if the Town will vote to raise and appropriate a sum of money for the maintenance and improvements of Highways and pass any vote relating thereto (\$8,000.00 for summer and \$7,000.00 for winter - Total \$15,000.00), (Supplemented by State Gas Tax Money \$12,077.63).

5. To see if the Town will vote to raise and appropriate a sum of money to defray the General Expenses of the Highway Department (\$1,000.00).

6. To see if the Town will vote to raise and appropriate a sum of money for Class V Highways (\$735.20), the State to contribute (\$4,901.31).

7. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of Stevens Memorial Hall and other Town Buildings (\$5,000.00).

8. To see if the Town will vote to raise and appropriate a sum of money for the care of Town Poor; also its share of O.A.A. (Town Poor \$5,000.00 - Old Age Assistance \$1,000.00) (Total \$6,000.00).

9. To see if the Town will vote to raise and appropriate a sum of money for membership for one year in the Derry Visiting Nurse Association (\$1,000.00).

10. To see if the Town of Chester will vote to raise and appropriate the sum of (\$250.00) to aid in the support of the Greater Salem Mental Health Association.

11. To see if the Town will vote to appropriate from Revenue Sharing Trust Fund and transfer to the General Administration Account a sum of (\$6,714.80) to defray expenses of the Fire Department. Revenue Sharing Funds from entitlement periods (10/1/73) to (12/31/73), (1/1/74) to (6/30/74), (7/1/74) to (12/31/74), (1/1/75) to (6/30/75).

12. To see if the Town will vote to raise and appropriate a sum of money to defray the expenses of the Fire Department (\$1,285.20) (inc. Forest Fires and Fire Trails) (\$150.00 plus \$50.00).

13. To see if the Town will vote to raise and appropriate a sum of money to defray the expenses of the Police Department (\$8,000.00).

14. To see if the Town will vote to raise and appropriate a sum of money to defray the expenses of the operation of Sanitary Land Fill at the Disposal Area (\$4,000.00).

15. To see if the Town will vote to raise and appropriate a sum of money to cover the cost of insuring Town Buildings, Town Equipment, and Town Employees (\$4,000.00).

16. To see if the Town will vote to raise and appropriate a sum of money to defray the expenses of the Derry Fire Department Ambulance Service (\$4,620.00) and the Chester Health Officer (\$500.00). (Total \$5,120.00)

17. To see if the Town will vote to raise and appropriate a sum of money to defray the expenses of the Planning and Zoning Boards (\$250.00).

18. To see if the Town will vote to raise and appropriate a sum of money to defray the expenses of the Dog Officer (\$600.00).

19. To see if the Selectmen will allow a discount of 1% on all property taxes paid by September 1st, or within 10 days after receipt of tax bill.

20. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

21. To see if the Town will authorize the Selectmen to officially close French Memorial Field to all but maintenance vehicles, and allow Nichols Field to be used for parking for functions in Memorial Field.

22. To see if the Town will authorize the Selectmen to appoint the Chief of Police.

23. To see if the Town will accept Lot Number 24 owned by Butman Hill Realty Trust, Plan dated 1/19/74, also identified as part of Lot Number 73 on Tax Map Number 9, to be used for Town Beach or Canoe Marina.

24. To see if the Town will establish the policy of requiring the outgoing Selectman to sit with the Board at Town Meeting and answer for his actions of the year past and the proposals for the coming year.

25. To see if the Town will authorize the "Spirit of 76 Committee" to erect a replica of Edwards Mill on its original site. The mill to be maintained by funds raised by a Board of Trustees.

26. To see if the Town will authorize the Selectmen to deed the "Bailey Lot" in North Chester to the Chester Conservation Committee and allow them to turn this Lot into a Recreation Area.

27. To see if the Town will allow the Board of Selectmen to close the driveway from Stevens Memorial Hall to Route 102 in the interest of Highway Safety.

28. To see if the Town will authorize the Selectmen to issue an Ordinance as follows: (No one shall hunt without permission from the land owner.)

29. To see if the Town will vote to close the short portion of Harantis Lake Road, South of Route 102, between East Derry Road and Route 102, and also to approve changing the 102 end of East Derry Road to a right angle approach.

30. Shall the provisions of Chapter 287 of the Revised Statutes Annotated relative to playing games of Beano be adopted in the Town. (By Petition).

31. To see if the Town will authorize the Selectmen to convey to Public Service Company of New Hampshire on such terms as they deem to be in the best interest of the Town, an easement within a strip of land 95 feet in width across land owned by the Town and located adjacent to and southerly of an existing right of way of the Company. (By Request).

32. To see if the Town will vote to raise and appropriate a sum of (\$1,000.00) for Reappraisal of Buildings.

33. To authorize the Selectmen to sell property acquired by Tax Collectors Deed, at Public Auction from now until such time as this motion is rescinded.

34. To see if the Town will vote to raise an approximate sum of (\$100.00) for construction of a Police Office in hall basement, on a 5% Town, 5% State and 90% Federal basis. (\$2,000.00 Total).

35. To see if the Town will authorize the Selectmen to appoint an Historic Commission.

36. To see if the Town will raise and appropriate (\$500.00) to up date Property Tax Map.

37. To see if the Town will vote to raise and appropriate the sum of (\$200.00) to aid in the support of the Derry Recreation and Parks Department. (By Petition).

38. To see if the Town will vote to authorize the Selectmen to convey land adjacent to North Pond Road to Gustave Werner and to receive in return land from Gustave Werner in order to straighten out North Pond Road, and to take all necessary action in order to accomplish the same.

39. To see if Town will authorize Selectmen to establish an Mosquito Control District to abate the insect problem. (By Petition)

40. To see if the Town will vote to raise and appropriate the sum of (\$2,000.00 to establish a Capital Reserve Fund to be maintained by the Trustees of Trust Funds (RSA35:1) for the purpose of purchasing FM radios and monitors for Communication System for the Chester Fire Department.

41. To see if the Town will authorize the Selectmen to raise the Dog License Fee to \$3.00 for male and spayed females and to \$6.00 for female dogs. (RSA466-39) effective January 1, 1976.

42. To see if the Town will vote to raise and appropriate the sum of (\$50.00) for expenses of the Conservation Committee.

43. To see if the Town will vote to authorize the Selectmen to raise and appropriate the sum of (\$5,000.00) for the purchase of a Police Cruiser, upon receipt of guarantee that approximately 40% will be reimbursed by funds obtained through the Federal Highway Safety Agency.

44. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 17th day of February, in the year of our Lord nineteen hundred and seventy-five.

JAMES W. TOWLE, JR.
TIMOTHY J. FEINAUER
RAYMOND D. REMILLARD
Selectmen of Chester, N.H.

A true copy of Warrant - Attest:

JAMES W. TOWLE, JR.
TIMOTHY J. FEINAUER
RAYMOND D. REMILLARD
Selectmen of Chester, N.H.

Looking into the future when a full-time position of Chief of Police is considered, the town of Chester should apply for Federal and State monies through the Crime Commission. There is monies available that will pay the entire chief's salary for the first year and a portion of the second year. From the third year forward, the town will then pay the complete salary.

One final recommendation would be to provide municipal gas for all local departments. This should be made available at the Fire House or some central point with the cost saving of purchasing gas at state bid prices plus tax free.

In summary, the total report and the above-mentioned recommendations are intended to improve morale, efficiency and cost of operation of the Police Department with the utmost consideration being given to the taxpayers of the town.

Respectfully submitted,

JULIO D. ARAMINI

MARVIN COLBURN

JOHN TERRAVEECCHI

SPIRIT OF '76 BICENTENNIAL COMMITTEE REPORT

During this past year, the Spirit of '76 Bicentennial Committee got into full swing. Meetings were held the second Tuesday of each month and will continue on that date in the future. Various projects and ways of raising money have been discussed.

In June of 1974, the committee hosted a Strawberry Festival at the Town Hall and lawn, ably chaired by Mrs. Marion Hazelton. This turned out to be a profitable venture for the committee and tentative plans are being made to repeat this venture in the Spring of 1975.

In October of 1974, James Towle Jr. and his troupe of aspiring actors and comedians presented, to the townspeople, their rendition of the musical comedy "How Boots Befooled the King". Their performance was a success and a money maker, both for this committee and the past 250th Anniversary Committee.

The '76 Committee has elected to take on the project of rebuilding and restoring the Edwards Mill, on its original site on the Raymond Road, as our part in preserving our American Heritage during the '76 Bicentennial Celebration. The committee met at the Mill Site on three separate occasions to clean out the underbrush and clean up the site.

The project of building a restoration of Edwards Mill has progressed smoothly. The lumber has been cut and is about to be hauled into the mill for sawing. It will be stuck to dry and plans are to cut the timbers to size during the summer.

In the early fall, we are hoping to have a regular old-fashion barn raising and put the whole building frame up in one day. The affair would include all who are interested in helping, either by working on the structure or preparing a big noon feed or selling souvenirs, etc. We hope it will be engineered well enough to give everyone an idea of how our ancestors pooled their resources to put up a new house or barn.

Plans are being made to strike a commemorative coin for the '76 Bicentennial Celebration, and these should be available for sale around Town Meeting time of this year.

A new dinner size plate is being designed by Joan Towle for the '76 Bicentennial Celebration, and will be for sale sometime in the Spring or Summer of 1975.

The Executive Committee is looking for interested citizens of the Town who are willing to help on various committees during the '76 Celebration.

Executive Committee:

JAMES W. TOWLE JR., Ex-officio
CLIFFORD M. MILLSAPS, Chairman
DAN COLE, Vice-chairman
HELEN TEBO, Financial Chairman
LINDA CHILD/CLAIR YENCHIA, Secretary
PAUL FUCHS, Publicity
FRED KERNS, Fund-raising

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Chester, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Steven's Memorial Hall in said district on the 4th day of March, 1975, at 10:00 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a School Board Member for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To choose three Auditors for the ensuing year.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days before the date of the meeting.

JAMES D. COLE
JOHN R. PEPPER SR.
MARJORIE GOULD
Chester School Board

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Chester, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Steven's Memorial Hall in said district on the first day of March 1975, at eight o' clock in the afternoon to act upon the following subjects:

1. To hear reports of agents, auditors, and committees or officers chosen and pass any vote relating thereto.

2. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

3. To transact any other business that may legally come before this meeting.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days prior to the district meeting.

SCHOOL BOARD REPORT

Throughout my three years on the Chester School Board, no budget has been more difficult to prepare than this budget. Inflation has hit us all and the school is no exception. As board members, we find expenses have continually gone up in accounts where we have no control, as is true for all Americans. Trying to keep the budget in line, we are asking for only what we feel is important for the education of the children and maintenance of the school building.

The back roof of the front building was replaced during summer vacation. With the cleaning, painting and some new desks, the school was ready to greet the children on opening day. Later in the Fall, we were forced to replace the water pump which had been in service since the original building was built. We were fortunate, the work was done on a weekend and no school was lost. I hope everyone has had an opportunity to visit the school and note the improvements.

The high school tuition account has been going up each year and this year is no exception. Pinkerton has gone over the thousand dollar mark, an increase of over one hundred dollars. This account is now more than 25% of the total district budget. Pinkerton also feels inflation. I would be remiss if I didn't note that Pinkerton is still a good buy compared to tuition of other high schools in the state.

Through no fault of the trustees of Pinkerton Academy, the contract that the Chester School District voted to accept last March is now only a dream. The availability of an expanded vocational high school for the students from Chester would have an unlimited effect on the students now numbering nearly one hundred twenty-five. If we continue negotiations, and with luck, we will be asked to vote a new contract in June. If accepted by all five districts, this would be a dream come true for us all.

Respectfully,

JAMES D. COLE
School Board Chairman

REPORT OF THE SCHOOL DISTRICT TREASURER

For the Fiscal Year July 1, 1973 to June 30, 1974

SUPERINTENDENT'S REPORT

Supervisory Union organization and/or reorganization remains a key issue in Supervisory Union No. 14.

Last March, three of the five school districts within Supervisory Union No. 14 acted upon related warrant articles; the Sanborn Regional School District (the district contributing the largest percentage of Union expenses - 41.5%) voted to authorize its school board to study the feasibility of reorganization; Epping voted not to authorize the school board to take whatever action was necessary to create an Epping-Newmarket Supervisory Union; and Newmarket voted to table this same proposal after Epping had already defeated it. The two smallest towns in the Supervisory Union, namely Chester and Fremont chose not to discuss reorganization at their meetings.

Thus, Epping, Newmarket, Chester and Fremont have not been actively engaged in any formal study of reorganization during this past year. However, the Sanborn Regional School Board has, on several occasions, met with representatives from the State Department of Education and at this time (January 1975) it appears that Sanborn Regional could be reassigned by the State Board to a newly created Supervisory Union. The make-up of this new union is not certain, but would probably involve the towns of Fremont and possibly South Hampton. The official beginning could even be as early as July 1, 1976.

Obviously, if Sanborn Regional and Fremont are reassigned, this would have a considerable financial impact upon the remaining districts within Supervisory Union No. 14. It is for this reason that thought is now being given to replacing Sanborn Regional and Fremont, if they do leave, with one or two other neighboring districts. The towns of Nottingham and Northwood have been briefly mentioned as possibilities.

Assistant Superintendent Ira A. Stickney, who has been working very closely with the school board this past year states:

"With the full cooperation of the staff and people of Chester, the Chester School had a good year.

The Chester Board and Teacher's Association are, at this writing, meeting and updating, as necessary, the Master Contract established last year, having met several times with a committee consisting of the School Board, a committee from the Teachers' Association and Mr. Wilson, Superintendent of Schools.

The school board has for the last year been attending meetings at Pinkerton Academy (they have been busy) covering all aspects of the education of Chester's secondary schools. They are presently faced with, and are in the midst of, negotiating a new contract for some period of time for the education of Chester's High School students. The present contract ends in 1978."

Respectfully submitted,

FRANCIS C. WILSON
Superintendent of Schools

PRINCIPAL'S REPORT

The annual report of the Principal is submitted as follows: The school year 1974-75 had an opening day enrollment of 274 pupils in the eight grades. The teachers, their grade levels and number of pupils follows:

Grade One, Mrs. Brenda Phelan - 21 pupils; Grade One/Two, Miss Victoria Stickney - 21 pupils; Grade Two, Mrs. Gladys Apgar - 22 pupils; Grade Three, Mrs. Beth Ann Aldrich - 25 pupils; Grade Four, Mrs. Candice Roux - 32 pupils; Grade Five, Miss Judy Yeaton - 30 pupils; Grade Six, Miss Ann Shuster - 22 pupils; Grade Six, Mrs. Constance Kerr - 23 pupils; Grade Seven, Mr. Bruce Donohue - 26 pupils; Grade Seven/Eight, Mr. Robert Kalman - 22 pupils; Grade Eight, Mrs. Judith O'Neil - 33 pupils.

Of the eleven classroom teachers noted above, only one was new to the school. Mrs. Beth Ann Aldrich was employed to teach grade three upon the resignation of Mrs. Patricia Pennington. Enrollment figures do vary from time to time and, as of the date of this report, the highest enrollment recorded for the current school year was 287 pupils.

Additional professional staff is employed by the school to provide corrective or supportive educational services and health services for the pupils as follows: Full-time - Remedial Reading, Miss Jean Robinson; Part-time - Teacher Aide, Mrs. Barbara Rice; Library Services, Mrs. Sally St. Clair; and Band Instructor, Miss Marlene Piaseczny.

Federal Aid to Education, Title I, supports the part-time services for Resource Education which is under the direction of Miss Ann Murphy. Title I also supports our Speech Therapy Program. Mrs. Anne Murad is the speech teacher. Health Services are provided by Miss Barbara Haskell, R.N. Miss Piaseczny, Miss Murphy and Miss Haskell are new to their positions this year.

Additional essential supportive services are very capably provided for as follows: School Lunch, Mrs. Clara Dolloff, Supervisor, and Mrs. Marie Brander, Assistant; Custodial Services, Mr. Ralph Potter, Custodian, and at various times Mr. Jeffery Giles and Mr. William Erwin have been employed as part-time assistant custodians. Mrs. Genevieve Rowell has very capably continued to serve her responsibilities as the School Secretary.

In addition to the staff noted above, the Timberlane Transportation Company provides pupil transportation to and from the Chester School. This service is contracted by the School District.

Additional custodial help, at no charge to the School District, was secured to work at the school during the summer of 1974 from the Rockingham County Action Program. Mr. Richard Wood was employed by the Program to do such work as painting, gardening, scrubbing woodwork, moving furniture, washing windows, etc. etc. Every effort will be made to have the School District participate in the Action Program during the summer of 1975. Assistance from this source is always dependent on Federal Funds being made available to the Action Program, and is not a certainty.

There is a continuing attempt to improve educational opportunity, within the framework of the available physical plant, and to reflect current educational needs and concerns. This past year has been no exception. During this year, the staff has reviewed, studied and made recommendations in several curricula areas intended to improve the curriculum for the pupils. Statements of philosophy have been developed for mathematics and language arts.

Additionally, the staff recommended that purchases of new programs in both these areas be made and that the programs be implemented starting in September, 1974. This has been accomplished and the new programs are in use.

The Silver Burdett Mathematics Program (Silver Burdett Publishing Co.) gives the school for the first time in many years a basic, sequential, coordinated instructional program in mathematics from grade 1 through 8. Supplemental teaching and individualized learning materials associated with the program have been purchased and are being used in classrooms. The mathematics offering is rounded out by utilizing several available and specially purchased materials to take care of pupils needing special assistance.

The Arts and Skills in English Program (Holt-Rhinehart-Winston Publishing Co.) has been selected and has been implemented for the study of the English Language and grammar. Again, for the first time in years there is a basic sequential, coordinated instructional program in this vital curricula area. As in math, additional materials are utilized to fit special needs and to introduce and develop basic research skills in the curricula area.

Implementing one new curricula program a year is the generally accepted norm; however, the Chester School Staff has accepted the challenge of the dual implementation and both programs are running smoothly.

Recently there has been a national concern to improve curricula effort in the area of "Career Education". The Chester School Staff has been making an effort in this direction beginning with the 1973-74 school year. This year added emphasis has been developed. Career Education information/education begins at first grade level where pupils are encouraged to develop positive attitudes toward their peers, to be concerned for one's fellow man, to accept responsibilities, to put forth one's best efforts, to take pride in work well done, etc., with developing and changing emphasis through all eight grades.

At eighth grade level, attitudinal development is continued; however, emphasis is given to elementary understandings of career fields, requirement/qualifications, employment prospects, etc., so that Chester pupils may make more informed selections of career preparation programs being offered at the High School level.

New materials in the field of career education have been purchased for use. Basic text materials do not exist in this area. The materials which are utilized are basically audio-visual and kit type items for large group instruction. Additionally, career information is developed in such classes as language, mathematics, etc.; from periodicals such as Newstime, Scholastic, and through the use of a variety of audio-visual materials.

During the first marking period of the present school year, 1974-75, a committee of teachers examined the pupil progress report cards and concluded that revisions and changes were desirable. New report cards were designed and adopted which report more comprehensively on academic progress yet retain adequate provisions for reporting social progress. The frequency of reporting ie: four times per year, was retained by the committee. The new cards seemed to be well received by parents when they were distributed for the first time.

Although report cards are an important means of reporting progress, they are not the only way that parents can be aware of their child's school success or lack of same. From time to time, notes and phone calls are used by the teachers to notify parents of a child's school progress. Additionally, parent-teacher conferences, by appointment, are always available to parents who wish to have interim progress reports on their child's progress or who wish to gain insights into the various facets of their child's school life.

The Rhinehart Functional Handwriting System was retained again this year. Rhinehart supplies staff/pupil supervision and materials to carry out a formal systematic program for handwriting for grades one thru six. Grades seven and eight are serviced on a less formal basis. However, assistance and consultation are provided to these grades. It has been interesting to watch the generally improved attitude toward handwriting by the pupils and in the overall abilities as a result of the consistent effort made in this area. It is our intention to continue with this effort.

The school library book lists continue to be updated and improved with new selections. Currently, (December, 1974) the library has about 2,735 volumes available for pupil use. During the past year, the library inventory has been increased by approximately 455 volumes. Funds for these books came from School District appropriation, the Brown Fund and from Federal Title II grants.

Audio-visual materials are incorporated in the library function. During the past year, approximately 145 units of "software" such as filmstrips, pre-recorded cassettes, transparencies, visuals, etc. were added to the school library inventory. Here, as with books, the source of monies for the purchases were School District appropriation plus Federal Title I and II grants. Brown Fund monies are not used to purchase audio-visual materials.

Although the number of library books/audio-visual units seems impressive, it is well to keep in mind that the number of combined book and A-V software units falls about fifty percent short of the number of units recommended by the State Department of Education for libraries in schools with enrollments similar to Chester's. The effort to maintain and improve on the present level of library support needs to be continued until recommended minimum standards are realized.

Pupil use of the library continues at a high level. During the school year 1973-74, approximately 10,300 volumes were circulated through the card catalog. The use of reference materials by themselves is not tabulated. However, constant use of these materials is made and would more than double the circulation statistics.

Besides the pupils enrolled at Chester School, the community provides educational opportunities for six pupils who can profit most from and require special educational consideration for various reasons. These six pupils are transported daily to four schools outside of Chester where their needs can be accommodated.

Resource Education and Speech Therapy are provided at the school under a Federal Title I grant. The personnel of these programs are shared with Epping and Fremont who are co-sharers of the current three-year Title I Project. Although the program must service pupils from low socio-economic backgrounds and circumstances first, they do, on a need/time available basis, provide the same services for some other pupils of the community.

As required by law, a Title I Parent Advisory Committee has been established for the Project. The Committee acts as a clearing house for information to the involved parents and educators and as advisors to all involved parties. The majority membership is made up of the parents of involved pupils. Additional membership is made up of school nurses and educators associated with the Project. Mrs. Nancy Menard, Fremont Road, Chester, N. H., is currently Chairman of the Parent Advisory Committee.

The School Lunch Program continues in its excellence and its growth. Complete nutritionally balanced Type A Hot Lunches which meet Federal and State specifications are the mainstay of the program. The milk only program for those pupils who bring their own lunch is also offered. During a recent December day, a new high for lunch participation at Chester School was reached when 195 hot lunches were served by Mrs. Dolloff and Mrs. Brandner. (The ladies were very busy that day.) As always, but particularly at the present time, the hot lunch is a genuine bargain and participation by every pupil is encouraged.

The school and community groups continue to cooperate in various endeavors.

C. B. S. - Citizens for Better Schools - remains active and responsive to the needs of the school and the young people of the community. During the past year, C. B. S.'s main effort was directed toward providing, under its exclusive sponsorship, a once-a-week bowling trip for the children in grades four through eight.

Additionally, C. B. S. has donated a new color TV set to the school, several heavy duty learning/activity centered toys for the primary grades, personal paperback dictionaries to pupils in grades 7 and 8 and items for the school's athletic teams. Other undertakings by the organization included a "Get Acquainted Evening", "Breakfast with Santa", assistance with the 1974 graduation and the full sponsorship of the graduation dance.

C. B. S. sponsored several activities and projects to finance its programs. The school staff and pupils wish to express their

appreciation to Mrs. Barbara Czernich, past President, Mrs. Virginia Locke, President, and the C. B. S. membership for their efforts and interest in the children of the town.

The Supervisory Union No. 14 Staff Development Committee has continued to function and plans to meet its deadlines for the submittal of a proposed program for the recertification of professional staffs. All communities of Supervisory Union No. 14 are represented on the Committee. Representation is from various groups ie: lay persons, teachers and school supervisors/administrators. Chester is represented on the Committee by Mrs. Ann Bruhmuller, Chester citizen, Miss Ann Shuster, Teacher, and Mr. Arthur Scott, Principal.

During the past calendar year, a program of improvements, repairs and comprehensive maintenance was carried out at the school. Improvements included hot topping of areas near and between the middle and back buildings, re-roofing of the rear half of the original building, painting of two classrooms, installation of running water and a sink in the nurse's room and partitioning of the school office.

Numerous minor repairs and replacements were made as necessary. In addition to the foregoing planned repairs and maintenance, there were two major unplanned-for emergency repairs that were completed. They were: 1. The installation of a deep-well fresh water pump which was necessitated by the failure of the original water pump after many repairs and 23 years of service. 2. Locating, digging to and removal of a massive sewer line obstruction in drains leading from the original and middle buildings.

The program of replacing unsafe/dilapidated pupil desks and chairs was continued. The proposed school budget for the school year 1974-75 includes monies to complete this replacement program. Library book shelves, audio-visual storage cabinets, four cassette recorders and a typewriter stand were purchased. Additionally, a primary large typeface electric typewriter has been added to the school equipment. This last item prints letters approximately three times the size of standard type and is most useful for producing printed material for pupils in the primary grades and those who are partially sighted.

Three new emergency lighting units were installed in the main corridors of the school. This is a real improvement in the safety factor of the building. It might be noted here that the pupils are instructed in procedures for evacuating the building in

case of emergency. Additionally, practice fire drills are held by the school. The practice drills are evaluated annually by the Chester Fire Department.

Additionally, the Fire Department, under Chief Raymond Dolloff, Jr., inspects the building for fire hazards and egress facilities. Each year, the school cooperates with the Fire Department in its sponsorship of the Bob Child Memorial Fund Contest.

During the contest time, the school makes a special effort to teach about and make pupils alert to the dangers of fire. The safety measures which pupils can take in the case of fire emergencies are emphasized by the school. The winners of the Bob Child Poster Contest held October, 1974 were as follows: Kenneth LeClair, Mary Towle, Carol Bruhmuller, James Densmore, David Desmarais, and Richard Bacon.

The comments which follow regarding school facilities are not intended to alarm or to stampede the community into short-term solutions to provide improved educational opportunity and offerings, but rather they are presented with the hope that there would begin a reasoned, deliberate, sympathetic solution toward providing additional facilities so that new programs, such as physical education, could be offered; that the library function and inventory could be housed in its own separate area; that additional special education and storage areas could be available and that the school lunch kitchen facility could be up-dated to provide a more efficient preparation, serving and clean-up area/system.

It would seem that with careful planning such areas as those used for physical education, library and the kitchen could be included in a master plan to serve community functions ie; as a place for town functions of government and recreation; community library and an emergency and public food service facility.

Currently there are several gaps in the educational offerings because there are no facilities. Most notable is the absence of a physical education program for all pupils. In other cases, program efficiencies are severely reduced ie: the library function shares cafeteria space, it lacks a centralized well-planned adequate storage space/system which reduces the ability to serve both pupils and teachers. Special education services are often shifted from one place to another on a moment's notice because of space problems. This shifting in itself is disruptive, time-wasting and serves to discourage the pupil and teacher.

The school, the pupils and the staff do function in the existing facility and can continue to do so. However, the number of educational programs and opportunities offered to the pupils are limited. The effectiveness of others is greatly reduced.

The community should begin to seriously consider adding facilities which would expand, improve and enrich the educational program for pupils in grades one through eight. Realized improvements in education would benefit Chester's children by making it possible for them to more easily and successfully compete with others at the high school level.

The school remains dedicated to the concerns and needs of the pupils in attendance. Every person on the staff is dedicated to and is an active contributor to the education and welfare of the pupils who are entrusted to them. Improvement in the educational opportunity afforded the children will continue to be sought after, whether that improvement is attainable from within the school itself or as a result of the deliberations/commitments from the residents of the community as a whole.

Again, it is a pleasure to submit this report to my fellow citizens of Chester. It is the purpose of the report to concentrate on items of current and long-term interest. Additionally, it is the purpose of this particular report to hopefully stimulate a concern and interest in providing a more complete educational opportunity for the children of the community. The effect of providing improved opportunity would not only directly benefit the pupils but, as previously noted, other community services and functions could also realize direct benefits.

Respectfully submitted,

ARTHUR G. SCOTT JR.
Principal
